XII (CBSE) — S.E.C. Rly Hr. Secondary School No.2.	62% — 2022

Work/ Experience

■ **Bits World iTech -** Raipur, Chhattishgarh, India

March 2025 – Present

Front-End Developer.

- Developed and maintained responsive user interfaces using HTML, CSS, and JavaScript, ensuring optimal performance across various devices and browsers.
- Collaborated closely with UI/UX designers to translate design mockups into interactive web pages, enhancing user experience and engagement.
- Implemented modern front-end frameworks and libraries (e.g., React, Vue.js) to build dynamic and scalable web applications.
- Optimized website performance by implementing best practices in code optimization, resulting in improved load times and SEO rankings.
- Utilized version control systems like Git to manage codebase and facilitate seamless collaboration with cross-functional teams.

■ **Solysian Tech Private Limited**- Hyderabad, Telangana, India

April 2025 – Present

Teaching Professional.

- Conducted comprehensive online courses on front-end technologies, including HTML, CSS, JavaScript, and modern frameworks, through Solysian Academy.
- Designed and delivered interactive sessions on UI/UX design principles using Figma, enabling students to create effective web interfaces.
- Utilized digital platforms to create engaging course content, including video lectures, quizzes, and hands-on projects, enhancing the virtual learning experience.
- Provided personalized mentorship and feedback to students, fostering their growth and readiness for careers in web development.
